Absolute Friends
Absolute Friends is an espionage novel by John le Carré published in December 2003. Plot summary. The book tells the story of Ted Mundy, the Pakistan-born son of a British army officer, who as a student becomes proficient in the German language.

Absolute Friends - Wikipedia
The absolute friends of the title are Ted Mundy, a rootless English man, and his East German friend, Sasha, the crippled son of a Lutheran priest with family links to the Nazis - beyond that, the less you know the better. I'm a big fan of John le Carré and I am steadily working my way through all his novels.

Absolute Friends by John le Carré - Goodreads
In Absolute Friends, John le Carré delivers the masterpiece he has been building to since the fall of communism: an epic tale of loyalty and betrayal that spans the lives of two friends from the riot-torn West Berlin of the 1960s to the grimy looking-glass of Cold War Europe to the present day of terrorism and new alliances. This is the novel le Carré fans have been waiting for, a brilliant, ferocious, heartbreaking work for the ages.

Absolute Friends Summary - eNotes.com
ABSOLUTE FRIENDS by John le Carré - RELEASE DATE: Jan. 12, 2004 The collapse of the new world order catches still another of le Carré's inoffensive spies out hopelessly past his depth. Ted Mundy calls the well-nigh unrecognizable person he's morphed into since his Berlin days as student radical "Mundy Two."

ABSOLUTE FRIENDS | Kirkus Reviews
For me Absolute Friends is more than a spy thriller - the core thriller only starts more than halfway through the story. While the first half is a build up of the two main characters for the later events, it also sets the stage for the ongoing exploration of friendships and the complexities of human relations.

Editions of Absolute Friends by John le Carré
In Absolute Friends, his portrayal of the new anti-global, anti-New World Order radical leftists is stronger than sympathetic, while his denunciation of capitalism and the United States is stronger than denunciatory.

Absolute Friends (Audiobook) by John le Carré | Audible.com
Absolute Friends by John le Carré John le Carré is undisputedly the master of the "unromantic" spy novel. He tackles serious world issues, and his mission is to raise the consciousnesses of readers in order to unmask what he perceives as geopolitical disasters.

Absolute Friends | Bookreporter.com
The two men meet first as students in riot-torn West Berlin of the late 60s, again in the grimy looking-glass of Cold War espionage and, most terribly, in today's world of terror. Spanning 56 years, Absolute Friends is a savage fable of our times.
