Islam in Liberalism - Al-Andalus Academy

"Islam is at the heart of liberalism, at the heart of Europe; it was there at the moment of the birth of liberalism and the birth of Europe. Islam is indeed one of the conditions of their emergence as the identities they claim to be. Islam, as I will show, resides inside liberalism, defining its identity and its very claims of difference. It is an internal constituent of liberalism, not merely an external other, though liberalism often projects it as the latter...."
