Most modules included a recommended reading list. All recommended texts are available from the library. We recommend our students purchase The Oxford Handbook of Criminology (Oxford University Press, fifth edition) as a core course textbook. It retails for under £50 if bought new, and considerably less if bought second-hand.

The purpose of the course is to study the Civilian Law of Contracts, particularly the Law of Sale, as it developed from ca. 1100 AD till the end of the 19th century, with some limited comparison with the development of English law in the same period and the English use of civilian contract ideas. The Roman law of Justinian's codification, as it was picked up in the late Middle Ages, provided ...
