These include some essential facts that have been absent or misreported in much of the media's coverage of this issue. This research also includes a groundbreaking study to determine the lethality of Covid-19 based on the most comprehensive available measure: the total years of life that it will rob from all people. This accords with the CDC's tenet that "the allocation of health ...

Larry Sabato, professor of government at the University of Virginia: "You know, Bill, that's a great example of what happens when some poor soul, and I'm going to assume he's innocent until it's proven otherwise, some poor soul wanders into the media spotlight, because that's what happens. I remember the fellow who deflected the gun from President Ford out in California in 1975 and ...
