People Skills is a highly underrated book. It's a manual of assertive communication and one of the best communication skills book I have read so far. I also quoted it and leveraged it for Power University, which is the biggest compliment I can pay to any author since I only use th ebest of the best for Power University.

This book would be great to hand out to supervisors who think they know how to handle people but lack the skills to understand them. I believe this book is an excellent source to outlining and deepening skills to conspire the understanding of socialistic values. From grunting to expelling thoughts, there is a more constructive way to relaying thoughts or intentions. I really like how the book ...

[People Skills by Robert Bolton - Allbirds](#)

People skills is a more general term, and describes the abilities that allow you to inspire others and spread positivity. By contrast, interpersonal skills is a specific term that refers to your ability to communicate and empathize (i.e., understand others' feelings) with the people around you. Interpersonal skills is not just another word for people skills. People skills are needed to ...
