Photographers love their gadgets, and gadgets are fantastic go-tos when gift-giving season rolls around. There's certainly no shortage of toys on the market, but it's overwhelming figuring out what's worth the buy. If the photographer in your life hasn't provided you with a wish list, it feels like a shot in the dark trying to pick out what they need.

Birds are beautiful, but capturing photos of these flighty creatures can be quite the challenge. Birders who wan't to capture birds will quickly find out that taking quality photos of birds is not as easy as spying them through a pair of binoculars. Choosing the best camera for bird photography is the first step and this ... [12 Best Cameras for Bird Photography \(2021\)](#)

Which Sony A7 camera should you choose? If you're still not sure about which is the best Sony A7 for you at this stage then plump for the A7 III. It's a great all-rounder that is designed with enthusiast photographers in mind. Don't be fooled by Sony calling it a 'basic full-frame camera'. It's far from basic. Sony wants to redefine ...
