Take the first right you can, then run around the pillar. Use the ledge on the left or the right to climb around the fallen pillar ahead of you, then go through the door. Run left or right to go...

### Shadow of the Colossus guide: The 15th colossus - Polygon

Great beams of light point up to the sky to indicate a place in the Lands where a colossus has fallen. After defeating a colossus, a gigantic pillar of light will appear in the skies far above its corpse. These can be seen from every corner of the Forbidden Lands and serve as a record of Wander's travels and deeds.

This foe is located in the far north. Go around behind the main building and take one of the bridges across the pit. You'll want to head in the same direction as you went to get to Colossus 11.

### Colossus 15 - Shadow of the Colossus and ICO Wiki Guide - IGN

The Fallen Colossus is the story of the 1970s bankruptcy of the Penn Central Railroad, the nation's foremost transportation company --- an entity that resulted from the largest merger in history. The death struggle continued for six years amidst public and Congressional apathy.

### The Fallen Colossus - BeardBooks

Previously, the Greeks had applied the term 'colossus' to statuary of any size, but from now on, thanks to the giant figure of Helios, the term would be applied only to very large figure sculptures. The Colossus, along with many other structures on Rhodes, was toppled by an earthquake in either 228 or 226 BCE.
