This is the biggest and best ever sing-along collection of U.S. baby-boomers' favorite songs. Of things I bought in 1988 it may be the best investment I made that year. "Read" (consulted) several times every year over the last 31 years. Goodreads didn't think the paragraph above was long enough? Right.

Rise Up Singing: The Group Singing Songbook by Peter Blood

According to the Great American Songbook Foundation: The "Great American Songbook" is the canon of the most important and influential American popular songs and jazz standards from the early 20th century that have stood the test of time in their life and legacy.

The purpose of this songbook is to teach children the gospel of Jesus Christ through music. The Children's Songbook is designed for use in Primary, in the home, and wherever children's songs are appropriate. Many of the songs are simplified so that beginning musicians can be successful in playing them.
